Notes:

- 1) If phone does not charge, remove it from charger for 3 seconds and rotate phone 180 degrees.
- 2) Not all phones fit into all vehicle integrations.
- 3) Cases used on phones with built-in wireless charging capability may have reduced performance.
- 4) Do not use the wireless charging system with objects between the charger and the phone.
- 5) Phones that are longer than 150mm (approx 6 inches) may have reduced or no performance.
