## INTEGRATED STORAGE SOLUTIONS

## Build Your Service Bay WITH THE BEST.

Reclaim your work space and increase productivity with our ergonomically designed benches!

### Single Bay Configuration

Featured Configuration Includes: 54.25" Tool Box, 24" Cart Locker with Roll Cart, 24" Bulk Storage, Side Skirts, End Dress Panels, Overhead Support System with Solid Back Panel, Overhead Cabinets, Stainless Steel Work Surface, and 2 Quad Electric Outlets

#### Features:

- Snap-on® stationary tool storage
- Factory-authorized installers
- Superior, first-class powder-coated finish
- Double wall construction with z bracing and corner gussets for straight rigidity
- Wide variety of work surfaces: Stainless Steel, Coated Steel, Butcher Block, or Laminated Tops
- Overhead support system reclaims space on the bench top giving technicians more space to work, while still providing the benefits of overhead storage. It can also be added to existing benches!
  - System sections come in 4 widths: 24", 36", 48" and 54".
  - Panels are powder coated a stainless silver color. Posts are powder coated black.
  - Angled bottom plate is designed to accept any of our outlets or can be blank with a provided dress plate.
  - Posts are bolted through the top, making it a very stable system.

control of feed & speed, there are  
no belts to change
- Quiet DC motor which provides  
smooth operation across a wide  
range of discs and drums.

## CAR-O-LINER<sup>®</sup>

### Car-O-Tronic Vision2<sup>™</sup> X3 Measuring Package

MODEL NO. CAR46733

Reg. \$47,045

Car-O-liner Vision2<sup>™</sup> X3 is an electronic measuring software that guides you through the entire  
repair process. It provides automatic centering, measuring and documentation. Vision2 is easy to  
use. You are able to measure damaged vehicles 20% faster than the previous Vision software. 3-D  
graphics with photos make it easier to identify correct measuring points. Automatically updates  
Car-O-Data: the world's largest vehicle database with measurements for over 18,000 vehicles.

#### Features

- Software measures lower body points with state-of-the-art graphics
- The software also provides point-to-point measuring with dimensional data, worldwide VIN  
decoding and suspension diagnosis
- Multimedia support for the EVO<sup>™</sup> universal system for anchoring, holding, and fixturing
- The measuring slide communicates wirelessly three times per second, no targets, sensors,  
or lasers to mess with

## Air Operated Strut Compressor

MODEL NO. QSPDB8000XL

Reg. Dealer Price: \$1,975

**PROMO PRICE:**

**\$1,892**

QSPDB8000XL

The BD-8000-XL has been redesigned with dual pneumatic cylinders producing 140% more compressing force (at 100 psi) than the previous version. It can compress a spring assembly in less than half the time of a manually operated model. The front safety guard must be lowered and positioned correctly for it to operate. Foot pedal controlled and with the lower support plate allows for full use of both hands. The pneumatic operation is powerful and can handle the heaviest of coil over shocks. The adjustable extra strong clamps provide a perfect grip in any coil position. The 4-point contact system provides even pressure distribution. The DB-8000-XL is made in the U.S.A.

- Air operated power, efficiently handles any job
- Safety guard must be engaged for it to operate
- Adjustable lower support plate keeps strut from falling during disassembly
- Adjustable extra strong clamps for a perfect grip
- Top mounted tool tray
- Hands free control
- Shop air range 85-150 psi

## WARRANTY SOLUTIONS

## CLAIMS PROCESSING

Trust jlvarranty's experienced team to administer your warranty transactions. Our claims processing service strengthens your warranty operations from the assignment of accurate labor codes to alerting you of policy concerns. We work closely with your service personnel to get claims submitted and paid accurately, according to GM Service Policies & Procedures.

## NEWSLETTER + ONLINE TRAINING

The most extensive package of GM warranty information, training, and support. The Warranty Administration Program takes important warranty information, combines it with our warranty claims processing experience and summarizes it into easy-to-understand, newsletters, training videos, interactive forums, publications, quick look-up tools, and so much more!

## TRAINING SEMINARS + WEBINARS

We host one-day in-person training seminars in cities across the US as well as virtual webinars to get your team up to speed. Attendees will gain tips that will expedite claim payment and reduce rejects! An excellent environment for attendees to network with other warranty professionals from around the nation and learn from the best in the industry.

## JOB CARD STAMPS

Our stamps bring attention to the important details for many different warranty transactions. These easy to use, time saving stamps have been designed to promote compliance by always providing the required key elements. Stamp Examples include: Concern Not Duplicated, Authorization, Added Operation, Courtesy Transportation, Major Assembly Replacement, and more.

## Reflash Power Supply & Heavy Duty Charger

2 Year Extended Warranty

MODEL NO. EQPESS6100

Reg. Dealer Price: \$1,461

- Up to 90 Amps of re-flash power with adjustable voltage to accommodate any special voltage requirement that many OEs are using today
- Up to 90 Amps as a charger and safe for Conventional Sealed Lead Acid, AGM, EFB, Lithium-Ion, and Gel-Cell batteries
- Adjustable charging voltage to accommodate to battery manufacturer charging voltages
- Show Room Mode to power up vehicle dash or electronics in show rooms/ events. Can even operate without a battery in the vehicle.

PROMO PRICE:

**\$1,354**

EQPESS6100

## Intellamatic® Smart Charger/ Analyzer

60/70 Amp/270 Amp Boost/70 Amp Power Supply with 15 Amp Memory Saver Port

2 Year Bumper to Bumper Warranty, 3 Year Limited

MODEL NO. EQPIBC6008MS

Reg. Dealer Price: \$1,113

- Designed for use with 12 Volt Standard Flooded, AGM, Gel, EFB, Lithium and Deep Cycle batteries
- 12 Volt 60 Amp 270 Amp Boost wheel charger
- Adjustable charging voltage and amperage
- 70 Amp adjustable voltage re-flash power mode
- Designed to vehicle manufacturer and battery manufacturer requirements
- 20 Amp memory saver port and OBDII cable
- Polarity indicated and polarity protected with audible alarm

MADE IN THE USA

PROMO PRICE:

**\$1,044**

EQPIBC6008MS

## Heavy-Duty KwikStart Roll Around Starting Unit

More cranking power than any fast charger — Up to 1100-Amps

MODEL NO. EQP6127XL

Reg. Dealer Price: \$768

MADE IN THE USA

PROMO PRICE:

**\$696**

EQP6127XL

- 12-Volt DC power outlet
- Assists both customers and employees \ where there is no electrical power
- Recharges battery up to 20X faster than hand-carried units
- Solid state circuitry monitors battery condition and maintains maximum state of charge
- Fully automatic 10 Amp charger recharges starter battery or any on-board 12 Volt battery
- Will accommodate a user supplied Group 31 battery
- 500 Amp insulated clamps with patented "Flexi-Spring" cable guards
- Polarity light warns operators before making a reverse connection
- On-Off Switch to prevent personal injury
- Plugs into any AC outlet for rapid automatic recharging
- Designed for safe handling in any weather

## 12/24V Battery, Electrical System Tester with Internal Printer

MODEL NO. EQP122415

Reg. Dealer Price: \$422

- Fully graphical display solves language barrier issues
- Multi-function testing of battery, starter, alternator, earth ground
- Test 12V batteries and electrical systems (including ripple diode test and earth ground)
- Test 24V starter and alternator systems
- Reverse polarity protected (if reverse hookup, will NOT turn on)
- Integrated thermal printer for direct print out of result after each test and customizable header on printout
- Key-in particulars for battery model, vehicle plate, customer name to be printed on test results
- Internal memory storage of up to 70 tests allowing multi-vehicle testing
- Test wide range of batteries including WET, AGM Spiral or Flat Plate, EFB (Stop-Start) and GEL

PROMO PRICE:

**\$396**

EQP122415

## Intellamatic® Charger & Power Supply

60/70 Amp/270 Amp Boost/70 Amp Power Supply with 15 Amp Memory Saver Port

2 Year Bumper to Bumper Warranty, 3 Year Limited

MODEL NO. EQPESS6008MS

Reg. Dealer Price: \$958

- Electrical Stability System (ESS™) technology turns ESS6008MSK into a 70A stable power supply for extended service procedures or refashes. Nominal 13.9V DC Output
- Designed for AGM, Gel Cell, Sealed, and Standard Flooded batteries including Spiral Cell, Orbital™, or Optima™ batteries
- Memory Saver Mode 15A Continuous/20A Peak
- Dead Battery Override control
- 5 Amp 12' Straight Cable with OBDII Connector
- Terminal Covers to prevent positive battery clamp from arcing (pair)
- Program for deep discharge recovery of flooded batteries
- Patented diagnostics indicate weak or defective batteries

MADE IN THE USA

PROMO PRICE:

**\$875**

EQPESS6008MS

## Heavy Duty Fast Charger

6/12 Volt 65/70 Amp Heavy Duty Wheel Charger with 270 Amp Boost Assist

2 Year Bumper to Bumper Warranty, 5 Year Limited

MODEL NO. EQPESS6009AGM

Reg. Dealer Price: \$572

- Safe for conventional and AGM batteries
- 2 Hour electric timer with hold
- Safe in any weather operation

MADE IN THE USA

# SERVICE FACILITY

# RENOVATIONS AND NEW BUILDS

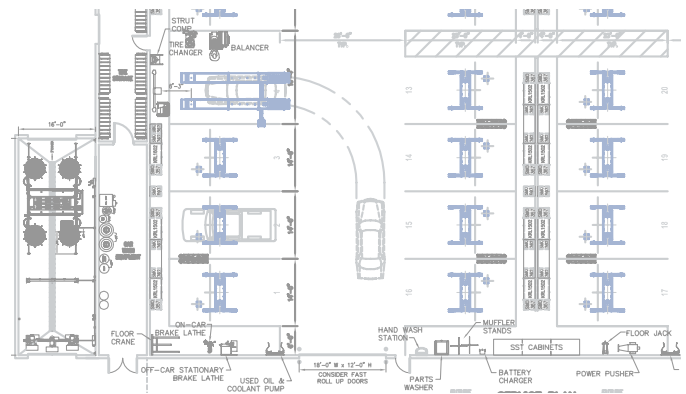

gm dealer equipment

**MAXIMIZE** WORK FLOW

**INCREASE** TECHNICIAN PRODUCTIVITY

We do it with our proven 5-step process.

We begin with a consultation, where we help define your needs and goals. Then we create a custom design, using your information to craft an achievable solution. After presenting a detailed proposal, we manage all delivery and installation of your new equipment and then follow up with ongoing support to ensure you have a successful and profitable operation.

Let us walk you through the process.

## STEP 1

Consultation

## STEP 2

Design and Layout

## STEP 3

Project Proposal

## STEP 4

Installation

## STEP 5

Service and Support

## WE ALSO OFFER:

- Financing
- Convenient payment options
- Parts Billing
